Y's Men's Private Facebook Group

This is an exclusive, invitation-only Facebook group for Y's Men, their wives, and significant others. It supplements the organization's periodic newsletter and email communications.

Joining the Private Facebook Group

1. You need a Facebook account.
2. As a new member, you should have received an invitation. If you don't have one, send your email address (and your spouse or partner's email) to news@siegert.us.
3. Or, search for "Y's Men Westport/Weston" on Facebook, click "Join Group," and answer the group admin's questions.
4. Engaging with the Group
 - Three rules: no politics, no advertising, and no hate.
 - Introduce yourself and share a bit about your interests.
 - Respond to posts, comment, and ask questions to build connections.
 - Share relevant content that would benefit the group.
 - Participate in polls and surveys.

Benefits of the Private Group

- Real-time updates on activities, events, and announcements.
- Stronger sense of community among members.
- Access to exclusive content and insights not in the newsletter.

In summary, the private Facebook group is a valuable supplement to the organization's regular, periodic communications, allowing for more dynamic engagement and a tighter-knit community. We encourage you to join and actively participate.

Don't hesitate to let me know if you have any questions or technical issues joining this group.
